HJR201

My name is Aubrey Raney-Avers and I support HJR 201. As an unaffiliated voter, and aware that there are many others, I ask that voters that haven't aligned with one party are given equal say in who leads our state. Just because I haven't chosen a side, as it were, doesn't negate the value of my vote. Our leaders are important and shape our communities and our state, and I would like the opportunity to choose the best candidates for those positions at every stage. Thank you for your time.
