Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

I am one of the 250,000 Oregon citizens who signed the petition to repeal the transportation tax package that was overwhelmingly opposed by Oregonians. The petition I signed specifically said it would be referred to the November 3 general election. That is the date I signed for and the date I want. The petition I and 250,000 other Oregonians signed was because the Democrats would not listen to the people and would not even discuss with the Republican representative. Now they are attempting to again ignore the voice of the people. I urge you to follow the Constitution and the will of the people and leave this referendum as scheduled on November 3, 2026.
