RE: SB 1593 SUPPORT

Chair Meek, Vice-Chair Drazan, and members of the committee,
I support common sense reform to Oregon's liability waiver laws for outdoor recreation. As a former raft guide and snowboarding instructor, I understand the importance of these businesses for the local economy. As a father teaching my kids to ski, I value affordable access to ski slopes and feel like a liability waiver that is enforceable is a reasonable part of the agreement that we make with the resort. I urge you to pass this bill to align Oregon with other western states, keeping our outdoor recreation competitive and helping to continue to attract tourism to our beautiful mountains, rivers, and beaches.
