"Hello Treasurer Steiner and Legislators,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. The Bay Area Hospital still needs some assistance, but the disciplined recovery plan of the last few months has shown its potential for lasting financial independence.

If the State is unwilling to assist the Bay Area Hospital, it will likely downgrade to a ""type B"" hospital. This comes with a number of costs to wellness and the local economy, including the cessation of Bay Area Hospital accepting most transfers from other clinics in the region.

Your support of the Bay Area Hospital is needed now.

Sincerely,"
