"To: State Treasurer and Lawmakers,

Please support HB 4075 and other legislation to assist the Bay Area Hospital this Legislative Session. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

If the State is unwilling to assist the Bay Area Hospital, it will likely downgrade to a ""type B"" hospital. This comes with a number of costs to wellness and the local economy, including the loss of 97 full-time jobs and \$9.1 million in local wages.

I'm hoping you will stand up in favor of the Bay Area Hospital.
