"Dear State Treasurer and Lawmakers,

I'm urging you to support HB4075 and other bills that are part of the Bay Area Hospital's Restabilization Plan this session. Recent cost-cutting measures have placed the Hospital on much better footing but financial instability remains.

Failure to act at this point will result in a number of preventable setbacks, including an estimated 2,089 more patient transfers and 182 preventable deaths per year.

I'm hoping you will stand up in favor of the Bay Area Hospital.

Sincerely,"
