"Dear State Treasurer Steiner,

Please support the Bay Area Hospital's plan for restabilization this session, including the plan for refinancing existing debt. After months of reforms and cost-cutting, the Hospital is in much better shape but still struggling with high interest payments and aging equipment.

Failure to act at this point will result in a number of preventable setbacks, including an estimated 2,089 more patient transfers and 182 preventable deaths per year.

Please do what you can to save the Bay Area Hospital.

With regards,"
