Dear Representative Fahey, Senator Wagner & Joint Committee Members:

I've accused the Democrats of resorting to dirty politics to quash the HB 3991 veto referendum. Moving the election to May is a slap in the face to the 250000 Oregonians who signed the referendum petition. We know and you know the real reasons for this move and it is political gamesmanship, not quite at its worst but close! And as you will soon demonstrate, this won't be the last of the dirty politics surrounding this matter.
