On Behalf Of:

Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

Oregon Legislators,

When I signed this petition it was with the understanding that we would vote on this in November 2026. This move to May undermines the will of the people and violates our constitutional rights. It is deceitful and downright trickery to make this change to the referendum date. It's time you respect the will of the people and put this on the November ballot like it was intended and accept the chips to fall as they will!

Vote NO on SB 1599! Oregonians have spoken and it's time you listen!

Sincerely,  
Amy Merckling
