Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

It is very clear that the legislators that have put forth SB 1599 have no integrity, and no honor and or caring for the 250000 Oregon voters that signed a petition with a November vote written into the petition to allow the voters to have a real voice in what goes on within the State of Oregon!

I am appalled at the push to move this vote to the May Primary, and hope that common sense and honor prevail for a NO vote on SB1599, Please show the voters of Oregon there is still some amount of integrity within the legislature.
