Members,

This is yet another example of the dishonesty and lack of integrity within the walls of Oregon's Capitol Building. Switching the tax vote to May from November is Democrats on glaring display yet again with their fear of honesty in the election process.

Wanna see a Democrat start twitching? Ask one if they will support Voter ID, or only citizens voting in an election.

Adding the Emergency clause to this atrocity SB 1599 is more pitiful proof. Tina has gone as low as she can in her desperation to stick her hand deeper into our pockets and use trickery on Oregonians.

**IF YOU HAVE TO CHEAT TO WIN ..... HOW IS THAT A WIN?**

Now let's see if the compliant Republicans know how to use the tool that they so often ignore.. WALK OUT

Yes. Walk out.
