

Submitter: Leta Muncie  
On Behalf Of: Citizens of Oregon  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or Topic: SB1599

To Whom It May Concern:

In November, over 250,000 Oregonians made their voices heard by signing a petition to put the transportation tax bill to a vote in NOVEMBER. I stood in the cold collecting signatures promising the signers of the petition it would be on the November ballot. Signers signed the referendum with the knowledge and understanding it would be on the November ballot. It needs to stay on the November ballot as it was designed and promised.

Leaving it on the ballot for November will give more time to move money around and show Oregonians there is enough money already.

Show Oregonians that you will listen to them and act in their best interest. I would like to see you do this at least once. Please?!!

Respectfully Submitted,

Leta Muncie, Native Oregonian
