Committee: House Committee On Commerce and Consumer Protection  
Measure, Appointment or Topic: HB4150

Dear Committee Members,

Thank you for considering comments on this topic. I am strongly in favor of HB 4150 and strongly opposed to inhumane treatment and illegal deportation of our immigrant neighbors. No company in Oregon should conduct business or any activity that is in opposition of the principles of our Sanctuary State. Every effort should be made to prevent this from happening and extremely stiff penalties should befall anyone who comes close to a violation. I support a zero tolerance policy in this area. Please add this necessary reinforcement to help keep all Oregonians safe by keeping the wolves at bay.

Please approve this bill and forward this to the legislature for passage.

Sincerely,  
Tresa Hackford
