This is stated to be on November election ! Now that does not fit your agenda ! I don't care, it states if we get the signatures it will be on the ballot in November ! End of story. It's sad voters have a hard time making ends meet because of your non-management now it is a full time job keeping an eye on what you're doing! We vote you in to look out for us citizens and of as lately we the people are not happy
