2026-302

Measure, Appointment or
Topic: SB1599

I urge you to oppose moving the referendum petition to the primary election. We signed the petition to have it held in the general election in November. If our elected officials continually say how Oregon has fair elections, then you **MUST** have the vote in November. **ANYTHING** other than that you are cheating the citizens of their due process for what they have asked for. Fast tracking this to the primary election would **ONLY** increase the distrust of elected officials in Oregon. Along with proving that said elected officials have **NO** interest in fulfilling the will of the Voters.
