Measure, Appointment or Topic:

SB1598

I oppose the bill for the following reasons:

Unchecked Authority: Grants broad power to unelected public health officials to make decisions affecting all of us, without further legislation or public debate.

Automatic Mandates: Clears the way for vaccine requirements to affect access to schools — without another legislative vote.

Forced Compliance: Invokes statewide one-size-fits-all medical orders without individual consent.

Taxpayer-Funded Mandates: Compels insurance companies and taxpayer-supported public programs to pay in full for vaccines and health services.

Overrides Doctors: Removes ability of doctors to make decisions in the best interest of their patients
