

Submitter: Kelley Nielsen

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB1541

Petro barons and polluters have run roughshod over the American people for too long. No one should be rewarded for using dirty means to amass wealth and power at others' expense, then to lie about it. This bill asks for simple reciprocity, the idea at the heart of human fairness. It's long past time to reign these malign forces in. Make polluters pay.
