Measure, Appointment or Topic: HB4150

This bill, HB4150 will require private contractors, operating in Oregon, to attest that they will not participate in any process that deports immigrants en mass. This requirement does reflect our State's commitment to supporting our immigrant communities and resisting unjust, possibly illegal, federal deportation policies and practices. This bill will help ensure that our public funds, our tax dollars, are used in concert with Oregon policies, values, ethics, and laws.
