Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

I cannot believe we are addressing this issue again - clearly, you REPRESENTATIVES OF THE PEOPLE have forgotten that your job is to represent and act on the behalf of your constituents!! Are you that insecure in your job that you have to 'stack the deck' in order to win your next election? Please act on behalf of the voters who signed the petitions to have the vote in NOVEMBER!! Really, how hard is it to just do your job to the best of your ability??? We, the people, have petitioned for the vote on the transportation tax to be on the November ballot - the petition and signatures have been checked & validated. Vote no on SB 1599.
