Measure, Appointment or
Topic: SB1599

I and my family regularly travel along Highway 58 and uses Crscent Cut off loop to central Oregon during winter. I fully support continuing to fund road maintenance and snow removal by passing this proposal sooner rather than later. Crescent Cut off is already subject to "limited" snow removal after dark. Although this winter has been very mild so far, heavy snow could be an issue as late as April. Compromise by moving vote to May seems prudent.
