Measure, Appointment or SB1593  
Topic:

Dear Chair Meek, Vice-Chair Drazan and Members of the Committee:

SB 1593 is a good sense bill that restores a necessary balance to Oregon's liability waiver laws. It is essential legislations for three key reasons:

- It helps to provide economic stability in the all-too-important outdoor recreational sector. This is good not only for the operators, but for everyone who pays to recreate.
- It ensures holding operators accountable for gross negligence while allowing people to make informed decisions about risk.
- And it preserves access by lowering the risk of frivolous lawsuits.

Who would not want this? Those who would profit by mis-aligned SB 1517.

I ask you to vote YES on SB 1593 to protect Oregon's outdoor heritage and ensure our communities remain active and economically resilient.

Sincerely,  
Richard Crimi
