I feel that in these times of political unrest, we the people need transparency and trust in our government officials. This bill seems to be the opposite. It shows that our government does not trust the people of this good state. By pushing for a earlier vote you show us that you can't be trusted to allow the good people of the state of Oregon to make a educated decision on this matter. The tax bill needs to stay on the November ballot and you folks need to make a honest appeal to the residents on WE should or shouldn't pass itat that time. No sneaky games. Shame on you.
