Committee: Joint Special Committee On Referendum Petition
2026-302

Measure, Appointment or
Topic: SB1599

Changing the election date for the gas tax referendum has to be illegal. We signed the petition knowing it was to be on the November ballot. Also the use of the word "parts" implies that those in charge of changing the date may also be planning to leave out any parts they want. The fact that legislators even think this is something they should attempt only strengthens my belief that they do not ever put the best interests of Oregon voters and businesses above their own personal agendas.
