Measure, Appointment or Topic:	SB1541

I strongly oppose SB 1541. This bill would affect profits and business success in Oregon and continue to drive more movement to other states. Oregon land that could be utilized for productive harvest would simply go to weed and increase food pricing for Oregonians. The Oregon state treasurer has a history of improper management of PERS which has historically cost regular Oregon citizens greatly. Again I strongly oppose SB 1541.
