Senate Committee On Rules

Measure, Appointment or Topic:

SB1509

Chair Jama, Vice Chair Starr and members of the Senate Committee on Rules,

My name is Liz Delfert and I live in Redmond. I am writing to you in strong support of SB 1509, which is the good governance bill that seeks to add additional security measures to our election process to ensure that presidential electors in Oregon vote faithfully and in alignment with the public's will as it relates to the President of the United States.

Eight years ago my husband and I moved to Oregon from Missouri. We very much appreciate so very many aspects of life in Oregon, including the trust that we have in the election system here. As you are most likely aware, Redmond is a diverse community of varying political views. It is a growing and vital community with a good quality of life. Redmond residents, like those in the rest of Oregon, need to be able to trust that their votes for the incredibly important and life-altering election for the President of the United States are faithfully executed by presidential electors in Oregon. We need to reinforce our existing statutes and create better accountability within the current election process.

Please pass SB 1509 out of committee so that it can be voted on by the entire Senate.

Sincerely,  
Liz Delfert
