Measure, Appointment or Topic: SB1599

Apparently you don't realize how angry people are at Oregon's Democrat leaders, starting with Tina Kotek and going on down.

More than 250,000 Oregonians signed petitions in a short space of time, with the clear understanding—and written assurance—that this measure would appear on the November 3, 2026 General Election ballot.

SB1599 is your latest attempt to lessen our voices. You had to waste more of our tax dollars writing a bill to try to mitigate what you caused in the first place.

Stop trying to subvert the will of the people.
