On Behalf Of:	SB 1599
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

On the petition that over 250k Oregon signed, we purposely wanted the measure on the November 2026 ballot. Again, the legislatures are going against the will of the people. The continuous going against the will of the people that you were elected to represent is causing we the people to reconsider our options of our leaders. Continue the type of directions and Oregon will not only go purple but RED MAD!!
