This is outlandish. There was 260k people that came together within a very short period of time to block this tax bill from being signed wrongfully into place. Just follow the rules and allow us to vote on it as a State. We need to stop bending the rules and creating loopholes to push agendas. I'm in strong opposition and hope our legislators can do the right thing and let the people vote and speak on what they want.

Thank you for your time.
