Government

Measure, Appointment or Topic: SB1593

Please fix this! Why is Oregon the only state in the Union with this problem and why hadn't something been done sooner?

Oregon recreational operators need to have protection from lawsuits that result in people partaking in riskier outdoor pursuits. I understand when there is gross negligence, but it's ridiculous that it's taken this long for the Legislature to act on the problem. Do something and get it fixed to keep our outdoor opportunities available.
