On Behalf Of:

Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB4150

Dear Committee Members,

Thank you for the opportunity to testify. In my estimation, one of the foundational things that makes America great is due process under the law. I support HB4150 because it prevents companies from profiting off assisting ICE, an organization that has recently been involved in denying Oregon residents due process, with deportations. Please support immigrant rights and the rights of all of us as Oregonians, and support this bill. Thank you.

Sincerely,  
Jennifer Linnaea
