Topic:

I strongly oppose moving the election date to May. This is another attempt by our out of touch Governor and her party to get their way. The people of Oregon have spoken on this unlawful taxation without a vote of the people. Let the people of Oregon decide this matter in the November election. Stop the games and listen to the people, you're killing this State with your out of controlled spending. I can't afford this proposed tax and don't know who can.
