

Submitter:

Vipul Patel

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4148

TLT was intended to be used for helping tourism and travel within the State of Oregon in order to help many other industries - restaurants, retail, events, along with hotels.

Reallocating to a 60/40 split, would decrease a large portion of tax revenue outside of the travel & tourism space.
