

Submitter: Ruppert Reinstadler

On Behalf Of:

Committee: House Committee On Commerce and Consumer Protection

Measure, Appointment or Topic: HB4150

This bill is a direct violation of a company's right to work with whoever they want. Who they deal with should not be a factor in whether they can get a government contract. This is another great example of the left's "you can't disagree with me" attitude. The state already violates so many federal discrimination rules. Why do we need another one.

I definitely oppose every piece of this bill.
