Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or  
Topic: SB1599

I oppose moving the Referendum Petition 2026-302 vote up to the May Primary on the grounds that it will possibly diminish the vote totals and also put the vote in jeopardy because the referendum clearly stated that it would be on the November ballot! SB1599 is a clear attempt to usurp the will of the people of Oregon!
