On Behalf Of:	Oregon Gov Accountability Coming
Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

The Citizens of Oregon signed this petition with sufficient numbers to place it on the November 3rd ballot. Any efforts to undermine the Citizens petition and move the vote to an alternative date will be seen for what it is: an effort to undermine the will of the very Voters that you profess to represent. Those elected officials that oppose the will of the Voters do so at their own political peril.
