Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4105

Co-chairs Helm and Owens and members of the committee,

As an advocate for Oregon's forests, I encourage you to support HB 4105.

Responsible timber management is critical to both the health of our forests and the economy of Oregon. HB 4105 would provide greater transparency and openness about management of state owned forests.

Thank you,

MCJ
