Being an Oregonian for over 60 years I am opposed to moving the tax proposal to the May ballot. This is another sneaky tactic by the Democrats, during short session when they think no one is watching. We are watching!

I am reaching retirement age and will be forced to move out of this state due to the bad policies, crime rates, and no accountability from the criminals, illegals, and the Oregon government.

My family, friends and co-workers signed this petition to go onto the November ballot.
Hear the people!!!

The people of Oregon that pay the high taxes have spoken and it was that this be placed on the November ballot, not the May, lower turn out ballot.

STOP the fraud and abuse.

We the people of Oregon are tired of the wasted tax dollars. Start holding people accountable again!!!!
