Committee:	Joint Special Committee On Referendum Petition 2026-302
Measure, Appointment or Topic:	SB1599

I, along with approximately 250,000 Oregonians, signed a petition to put the Transportation Tax Referendum, 2026-302, on the November ballot so that we, the citizens of Oregon who you work for, have the right to vote on it. We have a voice; I have a voice; we made it loud but you, Governor Kotek and the Democrat legislative assembly, are not listening. I am disgusted by the manipulation of the Democrat legislators to move any and/or all parts of the referendum to the May Primary which, whether legal or illegal, is morally and ethically wrong. I strongly OPPOSE SB 1599 and know that I will vote NO on it.
