Measure, Appointment or Topic: SB1599

I want to state that I strongly oppose this measure. It should be on the November Ballot to send a message to all that the citizens of Oregon are not in support.

Year after year the Legislature Majority Pass Bill after Bill increasing Taxes, Fee (which are a tax) Charges without concern of the affects on the citizens.

The Legislature needs to focus on spending money wisely and stop thinking about what is best for the few, and consider what is best for all citizens of the State or Oregon.

Thank you for the opportunity to express mine thoughts on this matter.
