Oregonians voted to put this on the November ballot to allow all Oregonians opportunity to vote on it. To put it on the May ballot you are trying to limit the number of people voting on it. This is trying to get a tax pass without the ability of all the people that will affect to vote on it. 250, 000s oregonians voted for it to be placed on the November ballot and it is completely dishonest for our government to then try and move it.
