I am writing today to urge you act to pass SB 1541

SB 1541 is a studied, fair and reasonable bill that will provide critical funding to fight fires and to provide critical help to survivors of climate chaos. It is a step towards cleaning up the mess we've made. We can't leave this behind for the kiddos to deal with. So vote yes on SB 11541. Let's help lead the way, as we did with the Bottle Bill. It's the Oregonian thing to do.

Thank you for your service to our beautiful state.

Respectfully,

Teresa Brain-grace
