Measure, Appointment or Topic: SB1599

I have lived in Oregon for my full legal voting years. I can't believe where Oregon is Today! We have been over taxed and under represented for too long. Alot of things have been pushed through without voter knowledge or votes. We signed a referendum to put the tax issue up for a vote this coming November 2026! We stated our voices clear and it's time you listen instead of playing deaf! I OPPOSE this attempt to move a vote until May.
