Committee: Joint Special Committee On Referendum Petition  
2026-302

Measure, Appointment or Topic: SB1599

Committee Members,

Please vote no on SB1599. I believe it important to allow the largest number of voters in Oregon to have the opportunity to speak on this measure as possible. That means keeping this measure on the November ballot. May voting turn out is historically low. Please allow Oregonians to have a fair chance on expressing their opinion on this measure by keeping it on the November ballot.

Sincerely,  
Erik Dante
