On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB4113

Chair Marsh, Vice-Chairs Breese Iverson and Andersen, and Committee members:

I am writing today to ask you to oppose HB 4113.

As an Oregonian, I value the land use principles that help keep our state healthy environmentally and economically. Upholding our land use system is key to both.

This bill would benefit one private stakeholder at the expense of our land use system. With so many other important priorities in front of you, I hope you will quickly reject HB 4113. At this time our divided democracy, it is more important than ever that we hold to our systems of laws and regulations and not put the interests of individuals and private stakeholders ahead of our public lands and resources.

Sincerely,

Jim Sternberg
