2026-302

Measure, Appointment or  
Topic: SB1599

Dear Committe Members,

I am writing to let you know that I OPPOSE this attempt by the Governor to once again defy the will of the voters.

This referendum petition states that it will be voted on at the general election in November.

This attempt to move the referendum from the general election in November to the primary election in May is yet another attempt to thwart the intent of those that signed the petition by moving it to an election where voter turnout is expected to be less.

I oppose this move. Leave the petition alone and let us vote on it ASAP.

Quit messing with the will of the people.

Thank you.
