This effort to move the election is 100% pure political theater by Democrats and it undermines the ALREADY publicly documented effort of at least 250,000 Oregonians to put this issue on the ballot in the November 2026 election. This numbers of signatures far exceeded the required minimum of 70,000. Elected Democrats in this state need to start recognizing the viewpoints of ALL citizens in this state....not just the ones who support the Democrats' liberal agenda and narratives!!!!
