

Submitter: Jennifer Conli  
On Behalf Of:  
Committee: Joint Special Committee On Referendum Petition  
2026-302  
Measure, Appointment or  
Topic: SB1599

To the Committee,

I have been a resident of Oregon for over 25 years, and I adamantly OPPOSE the effort to move the Referendum Petition 2026-302, to the primary election held on May 19, 2026. The over 250,000 Oregonians who signed the petition for the referendum did so under the understanding that it would appear on the NOVEMBER ballot.

It is clear that this is yet another attempt at silencing the people of Oregon who oppose incessant tax schemes designed to rip off the hard working people of Oregon, by moving the date to a primary election in which the turnout is historically lower.

We see what you are trying to do and we are watching.

Vote NO on SB 1599!
