Please, this is the first time I have ever engaged in political action but enough is enough. 250k OREGONIANS have spoken, the people you supposedly represent. They want it taken to the ballot in November. Please stop playing games and for just once, listen to the people you represent. Of the people, by the people, for the people. Not whatever the governor wants. I consider myself neutral on politics, but this makes the democratic leaders of our government look shady and that they are unmoved by the voices of Oregonians. Let the citizens of Oregon decide. Keep it until November.
