Topic: SB1599

I strongly oppose this side hustle of moving this referendum from the November Ballot to the May Primary... This kind of political Ploy disregards the majority of registered voters expectations and wishes... Enough is Enough - Stop the game playing and the smoke-n-mirrors politics and give the Voices of the Voters what they have ask for - Responsible and Truthful Leadership by leaving this referendum where it belongs - In The Hands Of The Voters On The November Ballot 2026...
