To Whom It May Concern,

I am strongly against SB 1599, we signed and agreed to place this on the ballot for the November election, not the May election. Our representatives need to start listening to us because taxes is one issue we as Oregonians can come together on because it effects us all. We are barely surviving because the policies the Democrats have put in place have driven businesses out of Oregon and causing people to be poor by the day. As a lifetime Democrat I am done and moving to be an Independent voter because the Democrat Party of today is not the Democrat party that I've supported for years.

Sincerely,

Former Democrat
